IMPORTANT RULES OF PROMOTIONAL CHALLENGE

- League Playoffs determine the eligible challenger, assuming the winner of the playoff series previously submitted their intent to challenge. If the winner of the playoffs did not submit an intent to challenge, then no challenge will take place for that division.
- Should the league playoff winner intend to challenge, they will play in 2 promotional challenge games against the lowest ranked team in the challenged division AFTER relegation.
- Games are regulation time only. No Overtime or Penalty Kicks. Winner is determined by total points, then goals for minus goals against. If teams are still tied, the challenged team retains their position.
- Challenge games are **roster only**. No additions can be made to the roster following the final league game of the season (this does not include playoffs).
- Challenge games are not optional for challenged teams. Teams may request, in writing, not to participate if challenged and they will forfeit their position in the division and move down to next lower division
- Teams that qualify for the **Promotional Challenge** games will be charged \$440.00 to cover the costs of fields and referees for the two games.
