

SOUTH JERSEY SOCCER LEAGUE

SUNDAY MARCH 25TH GAMES

Due to the mass number of fields not playable for this Sunday March 25th , SJSL will cancel all games. This round will NOT be played except the list below. We have a couple of flights U11 and older with an odd number of teams causing byes. To keep the number of games played even, these games will become TBA's and must be played before the end of the season. Use the normal rescheduling procedures with the appropriate commish.

This cancellation will give the opportunity for all clubs to prepare or repair their fields when schedule resumes 4/8.
